

SALUTE

New data on the harm caused by foodborne illnesses underscore the global threats posed by unsafe foods, and the need for coordinated, cross-border action across the entire food supply chain,

according to WHO, which next week is dedicating its annual World Health Day to the issue of food safety. World Health Day will be celebrated on 7 April, with WHO highlighting the challenges and opportunities associated with food safety under the slogan "From farm to plate, make food safe." (...)
