

## DIRITTI UMANI

Freedom House today released Worst of the Worst 2011: The World's Most Repressive Societies, its annual report identifying the world's most flagrant human rights abusers, at a press conference during the 17th session of the UN Human Rights Council. The report, which identifies countries earning the lowest scores in Freedom in the World, Freedom House's annual report on political rights and civil liberties, was designed as a resource for human rights advocates. This year's report identifies 17 countries and 3 territories whose citizens live in extremely oppressive environments, with minimal basic rights and persistent human rights violations. (...)
